## From the President | Out of My Hat

Well, we're wrapping up the year and what a year we've had. I want to personally thank all of you for allowing me the opportunity to serve as your president this past year and for the election to serve in this capacity again next year. I also want to thank our officers: Bo Gullledge, Mark Meyers, Tom Causey, Barbara Harris and John Butler for their hard work and our advisory board for keeping us on track. In addition, I want to thank our Technical Director Bret Sohl, our Bulletin Editor, Matt Sohl and our webmaster Steve Haffner for their work.

Just a couple more events until this year is officially in the history book. Since we had received several requests from members who weren't able to attend the picnic and were interested in selling some of their items, On December 10 we are holding an LMC Swap Meet. This is a chance for you to bring some of your magic that you'd like to Sell or Trade. So come to the Kosair Charities Centre and Buy - Sell or Trade your magical items with other members. On Saturday, December 21, we will hold our annual holiday banquet. This is our final family activity of the year and a chance to come to join in the spirit of the season with a nice plated meal, a great magic show and an awards ceremony for our contest winners. Our show will feature the high energy illusionist Brandon Baggett, who recently signed a 6-year contract with Holiday World to be their illusionist. Make sure and get your reservations in. Reservations are due NOW so we can inform our caterer of how many will be attending. After all your holiday food settles, you won't have to wait long until we get things rolling for 2020 because on January 7, at the Kosair Charities Centre, Past President and professional magician David Garrard will be lecturing for our club. David has some new effects on the market that you will want to see, plus his book showcases some wonderful routines that he perfected over his magical career. Come support David and kick the year off right with his fantastic lecture. Michele and I would like to wish each and every one of you a Magical Holiday Season. See you on December 10 for some great magical items.

*Michael*

## From the Editor

Hey Everyone! I'm back after taking the month off from editor duties. Thanks to Michael for taking over at such short notice for me. The past month has been a wild ride for me and my wife. We welcomed our daughter into the world. She made a special magic club appearance at the annual close-up contest last month. I'm sure she will make a few more appearances over the years as well. 2020 is coming up quick. A perfect time for New Year's resolutions! A New Year resolution is what got me back into magic back in 2015 so they do work! See you at the next meeting!
