**Fielding West Lecture Friday March 23.**

Fielding's lecture will contain information about his multi-purpose dove harness based on the original ideas and 1975 lecture of Johnny Thompson aka *The Great Tomsoni*. He has taken this harness to new heights by showing other uses and productions besides doves.

He will present close-up and stage magic with coins, finger rings and cigarettes. "Yes, Cigarettes!" He will lecture on the techniques that were used for the "*taboo cancer sticks*" and show how by substituting chalk, crayons and pencils we don't lose valuable sleight of hand techniques.

He will teach his uses of the thumb-tip and dye-tube as well as Dai Vernon's handling.

He will also lecture on balloon magic and the proper use and maintenance of rubber doves and bottles.

The second half of the lecture will be a sampling of his Stage Craft 101 Speaking Course and how it applies to you as a performer.

This will certainly be an event you won't want to miss!

# OUT OF MY HAT

Michael Raymer  
President

In February we were treated to the magic of Carisa Hendrix and John Reid. John taught us all how to make a rose from a napkin, mouth coils and proper technique for throw streamers. Carisa showed us something different--bubble magic! Carisa also showed us how to develop and use different characters in our magic. With over 40 members present it was very apparent that these two love magic and love teaching the performance of magic. I believe everyone was entertained and took something away from the lecture.

On Friday the 9th, Carisa appeared on Great Day Live and gave a huge shout out to the Louisville Magic Club saying how impressed she was with our club and how Louisville is a hotbed for magic talent. Thanks, Carisa, for the free publicity we appreciate it.

March 8, 9, and 10, Michele and I along with several other LMC members will be going to the 44th annual Winter Carnival of Magic in Pigeon Forge, TN. Some of the performers/lecturers include Rudy Coby, Michael Finney, Stephen Bargatze, David Ginn, Josh Jay and many more. It's an excellent convention so if you've never been, consider going.

Our next club event coming up in March is a lecture by Fielding West. Special thanks go out to Lance Burton for helping put this event together. Fielding presented an abridged version of his lecture at the combined convention last year, and so we'll get to see a lot more from Fielding this time. Then the next day we can see Lance Burton, Master Magician, and Friends at the Louisville Palace, featuring Fielding West, Keith West, Michael Goudeau and our very own Cody Clark!

See you on the 23rd!

The real secret lies in the performance.
