The Minimalist Magician by Chris Randall

Well, here we are in April and we are having a lecture. Yes, it's on zoom but it is one you won't want to miss as it is by Chris Randall. This is a paid Lecture event and therefore only current paid members of the Louisville Magic Club will be able to attend. Tuesday, April 13, 2021 at 7:00 PM.

About Chris Randall, our Lecturer.

Born and raised in Las Vegas, Nevada, Chris Randall has swept the world of entertainment. His style is a mix of classic Sleight-of-Hand and hilarious audience participation. Perhaps you may have seen him on an episode of the hit television show, Masters of Illusion. Chris is also a featured performer at the famed Magic Castle. He has shared his magic with millions of people in over 36 countries including England, Switzerland, Greece, China, Thailand, France, Spain, Egypt, Japan, Mexico, and Lebanon. Chris Randall is also a World Champion of magic winning multiple awards including Best Stage Champion 2015 from the International Brotherhood of Magicians. He has also appeared on Princess, NCL, and Paul Gauguin cruise lines. Chris also travels the country performing at comedy clubs such as Sapphire Comedy Hour in Las Vegas and The Laugh Factory. He has also opened for Louie Anderson in Las Vegas and is currently one of the most sought out acts in the world today.

On another note, the officers met and discussed our planning. We are looking at dates for an In-Person magic get-together that will take place outside, and we'll either have a cook-out or order KFC or similar boxes. We are looking at May or June for this. The "It's Magic Show" is on this year for September, The Contest will happen in November, and Our Holiday banquet is planned for December. So hang in there and we will be back together soon. In the meantime, make sure and tune in to our ZOOM lecture by Chris Randall. The meeting info will be posted in our Louisville Magic Club Facebook Group.

## Be Sure of Your Trick

You must expect to find someone in every audience who will try to belittle your ability as an entertainer and magician. If you are not sure of yourself, such a person can make your performance a farce. He may expose your secrets and make you a failure as a Magician.

Let no move of any trick remain unmastered. The less mystery there is to you in a trick -- the more mystery it will have for the audience.

BE SURE THAT YOU CAN DO YOUR TRICK before demonstrating it. With practice will come self confidence, ease of performance, and unquestionable ability to put it across.
