## FROM THE PRESIDENT | OUT OF MY HAT

Here we are in the middle of summer break for school, but there's no break from great magic. This month we have a double header with a lecture by Luis Carreon on June 21 and then on Saturday June 25 we have our annual family picnic at the home of Stephanie and David Garrard.

### Luis Carreon Lecture:

I've heard from several other clubs that hosted Luis Carreon for his lecture and they have all raved about how good his lecture is. Erik Tait, who will be competing at FISM said "Luis is a beast and I hate how good he is." Luis Carreon is an accomplished and well-respected magician. He won the Harlan Tarbell Close-Up Competition Award from the I.B.M. two years in a row. He also took home first place at the Chicago Magic Competition hosted by the S.A.M. This lecture has something for everyone from cards to coins to material that hasn't been published.

### PICNIC:

We can certainly use help with the picnic, if you have a large cooler and could bring some ice and drinks that would be helpful. We will be having the catered Bar-B-Que like we did last year and at only \$5 a plate that's the best picnic deal you'll get. Make sure to bring your lawn chairs and put a few close-up tricks in your pocket. If you'd like to perform for our afternoon show, let us know. Contact Tom Crecelius at 812-633-7875 if you can help or want to perform.

PICNIC Directions: 64 East to Exit 28 (the Outlet Mall) turn right and go almost exactly 3 miles. If you get lost David's number is 502-905-2512.

Please RSVP by getting your ticket by June 20th so we can let the caterer know how much food we'll need.

See you there!

## FROM THE EDITOR

Welcome to June everyone! Halfway through the year already. As we prepare for the second half of the year, let's see what we have planned!

The club picnic is this month. If you haven't been able to make one in the past, I recommend you try to make it! It's always a good time, and great to relax with other club members and their families.

We have also started advertising for the It's Magic show in September so make sure to tell all your friends and family about it! We have a fun lineup this years (including yours truly!) To be honest, I'm getting quit nervous as September creeps closer and closer. I started coming to the magic club meetings in college and would always leave as soon as the meetings ended. I never thought I'd come so far as to perform in the club show! It's an honor to be asked.

And speaking of club shows, we have the annual close up contest coming up in November! Now's the time to start planning your routine. We should have some healthy competition this year from what I am hearing. If you don't know how to plan a routine, there are plenty of members in the club who would be willing to sit down over dinner to discuss things. Don't be afraid to reach out to them.

So to conclude, two big things to think about, well three things: The club picnic, the It's Magic Show, and the annual close up contest! Have a great month everyone, and I hope to see you at our lecture on June 21<sup>st</sup>!
