- Transitions from trick to trick using some of my own, original material
- Magic for Young Audiences (MYA)

### Some of the sleights he will cover include:

- The Pass – Classic, Top-Card-Cover and Herman.
- Bottom and center steal.
- In the hands, strip-out false shuffle.
- Flying Shuttle-Pass (original coin move).
- Himber Coin Pass – Jay Sanky Clink-Pass.
- And more!!

### Have you checked in at our official LMC Facebook Group?

This is a closed group - meaning only members and friends of the LMC are invited to attend. This gives us another place to talk about magic, we can announce our shows, let you know about magical happenings in between meetings and just hangout and chat about magic.

When I attended the National Council for the S.A.M. (Society of American Magicians) they discussed initiatives to update the society and make it more interactive by taking advantage of technology. So this is our facebook page and allows us an outlet to keep you informed and updated. Here's the link, if you haven't joined - request to join today and one of the administrators will get you in the group. <https://www.facebook.com/groups/202018196513920/>

**LMC members and guests meet informally for dinner  
around 5:30 p.m. on meeting nights.

# My Monthly Musings

Jim Harris, President

Mother Nature cooperated with us - the snow didn't start until after Jim Austin's lecture. The next day (Wednesday) we got 4" of snow. Then again on Friday, we got another few inches. Louisville really lucked out though, because our friends east and south of us got almost a foot. Hopefully everyone has dug out and things are back to normal.

Speaking of Jim Austin - his lecture was very entertaining and very well received. He had a lot of usable magic for sale. If you missed his lecture, you can see him at KIDABRA (Pigeon Forge, TN) in August.

February is the month for cub scout Blue and Gold banquets - if you do these type of shows, contact a couple of local cub scout packs and see if you can line something up. But don't book anything for February 16, you'll want to attend Richard Ribuffo's lecture at Kosair. Richard was a club member before moving to LA to seek his fame and fortune - we'll find out how well he did!

Jim

From the Editor:

## Where's the Snow?

So far we've had a pretty mild winter which I know many people are happy about. I do like seeing the snow on the trees and bushes, it makes for some real beauty.

Our First meeting turned out great and the weather cooperated, so hopefully we'll be moving into Spring and some other great meetings.

Starting off this year we had a magic lecture by Jim Austin, which was well attended. Jim had a lot of great ideas and magic to share with us and told us not to be afraid to present our "kid show" tricks for adult audiences. He gave us many tips to adapt the effect for the audience.

Many members headed up to Columbus for the Magi-Fest and sure they'll have some reports from us - although I have never attended it always seems to be highly recommended.

This year the S.A.M. convention is in Indianapolis - July 13-16th. Next year will be the Combine IBM/SAM convention in Derby City. Yes, that's right! the 2018 combined is coming back to Louisville!!!!

Derby City Magic continues the last Saturday of each month at the Laughing Derby on Bardstown Road. This month features the performers of our Holiday banquet, Reed and Ashton Masterson! It's always a good crowd who are there to see magic. Lets support this monthly show featuring our local talent. Contact Darrin Pearl aka Frankie Foolya if you need more details about performing. Come do some close-up before the show!

See you at the meeting,

Michael
