From the President | Out of My Hat

We had 13 people show up to our Zoom Meeting with Bruce Kalver on April 28. Bruce shared with us news about a new S.A.M. Podcast that is starting called Backstage S.A.M. Bruce also shared with us the news that all the issues of the M.U.M. Magazine are being digitized and indexed back to the first issue from 1911. We were able to witness a video from his Magic Castle act, and he shared a new smoke device, "The Smoke Gimmick," that is available on his website www.brucekalver.com.

One of the highlights was his "Forcing Matrix Template," where he shared a way to force a number and then reveal it. It was a nice meeting, and we shared lots of stories and had a good discussion. I'm monitoring meeting directives weekly. Currently, the Kosair Center, where we hold our meetings, is closed to meetings until July. So it may be the end of July or August 1 before we can meet again in person. Bruce Amato has offered to lecture for us on August 4. I hope that we will be able to host his lecture either at Kosair or another facility. It's Magic is scheduled for Friday, September 18, and Dennis Alm is working on putting together a line-up for a great show. So until we can meet again in person, we will hold our meetings virtually. We'll have two zoom meetings next month. The first on May 12 and the theme is "Your Favorite Trick." The second one will be May 26, and the idea is "Anything but Cards." Even though we are unable to meet in person, the Zoom meetings allow us to see each other (if you have a camera on your computer). If anyone would like to get together and just jam, we can do that virtually as well until we can get together in person. Stay Home, Stay Safe, and Stay well, and we will get through this together and be able to see each other again soon.

Michael
