the President!**

UPCOMING EVENTS

Illusion Night! (Members Only)

Tuesday, May 10th

7:00 PM

Kosair Charities Center

982 Eastern Parkway

Louisville, KY 40217

WE WILL BE DISCUSSING STAGE ILLUSIONS AND HOW THEY WORK!

Future Meeting Dates at Kosair

Tuesday, June 14

Tuesday, July 12

Tuesday, August 9

Tuesday, October 11

MAKE SURE TO ADD THESE TO YOUR CALENDAR!

LMC Illusion Night!

May 10 will be the first ever Illusion Night at the Louisville Magic Club. Mike Woodward will walk us through Houdini's classic Metamorphosis. David Garrard will share tips on purchasing, performing and traveling with big tricks. David's assistant, Stephanie Bell will offer her insights on being a "box jumper." David and Stephanie are rehearsing, and hope to be ready to demonstrate a terrific, but inexpensive illusion that can be found in Tarbell. We will also be talking about illusions that can be made with cardboard.

It promises to be an interesting and informative night, so come prepared to learn! There will be plenty of time for questions. We will also have an Owen Executive Bow Sawing illusion set up and available for purchase as well as a Vanishing Radio.

Note: Due to the nature of our content, this meeting will be a members only meeting.

FROM THE PRESIDENT | OUT OF MY HAT

On March, 18th, Michele and I made a trip up to Dayton Ohio to visit fellow S.A.M. Assembly #56. Their President Paul Burnham is one of my regional deputies for the state of Ohio. I performed a few effects for them and watched as their members each took turns performing. I was even able to be a super sleuth (see picture below).

They were very welcoming and we appreciated the hospitality. We spent the night then saw the National Air Force museum before traveling home. Hopefully as more groups are meeting again in person I'll be able to travel and visit more assemblies as RVP for the S.A.M.

I want to thank our LMC family and members of Assembly 215 for their support in nominating me to run a second term as RVP for central plains. Each month I participate in a meeting with members of the S.A.M. national council and I'm proud to say that Central Plains is experiencing a high growth for S.A.M. memberships. Thanks to everyone who is a member of either the S.A.M. or the I.B.M. your membership in the national organizations allows us to keep our charters and be connected to magicians all over the world. We are certainly privileged that our I.B.M. Ring and S.A.M. assembly work so well together.

Our April meeting will be a lecture by Michael Lair and will be a fun lecture with practical magic for everyone. I saw Michael at the Winter Carnival in Pigeon Forge and he showed me some of his new items, I think you'll be impressed.

If you're ever in Dayton around the 3rd Friday of the month, go hang out with the Dayton S.A.M. Assembly 56 and stay the night and see the National Air Force Museum it was amazing and FREE, but be prepared to spend almost a whole day to see it all. See you Tuesday, April 12th!

Mike and Michele

FROM THE EDITOR

A Magical Opportunity

Hey everyone! First of all, I apologize for the late newsletter! I was on vacation at the beach without my computer! But, it was nice to get away for a while! Recently, I was fortunate enough to go bowling and participate in a bourbon tasting at the Omni Hotel here in Louisville. While my friends and I were trying bourbon, the fact that I perform magic was brought up.

However, I didn't have any tricks on me at the time (shame on me).

The hostess quickly went to the front where she was able to get a deck of cards and I performed a few effects for her. She was absolutely blown away (either that or she was very polite). She mentioned how cool it would be for someone to perform magic for their guests and she put me in contact with her manager.

I sent her manager a message last week and am hoping to hear back from her this week. I guess what I'm trying to say with this story is 1, always have a trick or two on you, and two, opportunities are out there. You just need to be brave enough to show off your skills!

I hope to see everyone at the meeting tomorrow, April 12!
