David Garrard

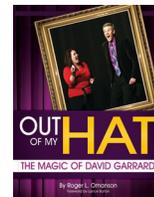

*David Garrard presents***The Second Lecture**

(you should have seen the first one!)

Our own David Garrard will be lecturing for the Louisville Magic Club on Tuesday evening, April 19!

David's lecture will feature material from his brand new book, *Out of My Hat*. Written by the late Roger Omanson with a forward by Lance Burton, the book contains something for everybody:

- Close up magic with cards and coins
- Children's routines, including David's routine for Sketch-O-Magic
- Stage magic
- Illusion tips and ideas

The book also includes magic from some of David's friends in magic: Mac King, Stephen Bargaatze, Dan Stapleton, Dan Garrett, David Ginn, Steve Marshall, Tommy Ellison, James Hargrave and Fantasio. Softcover copies of the book will be available. David hopes the hardback edition will also ship in time for him to have them with him.

*"David's magic is direct and clean. It is unusual and entertaining. He almost always has an interesting premise. Above all David's magic is amazing!"*

- Lance Burton

Join us April 19 and learn some of the magic that has made David Garrard popular with audiences throughout the United States and garnered him appearances at several major magic conventions! Practical magic and practical advice from someone who has been at it for almost 50 years!

## My Monthly Musings

Jim Harris, President

On March 15th we had our “do a trick night”, and it was very successful. We saw some really impressive magic and heard some great (?) jokes. I won’t mention any names, but it seems some of the younger performers are more skilled than us “old timers”.

We had several members ask to do this more often, and a couple who would like to see a “teach-in” with 4 or 5 experienced magicians explaining sleights and helping the newer members. We’ll discuss this at our next board meeting and make some things happen.

The magic club website is up to date (with a few exceptions), and should be completely up to date in the next few weeks.

Past President David Garrard’s lecture is quickly approaching – April 19th. David has been planning on lecturing for about a year, but our schedules never merged. He will share with us tons of invaluable information, and talk about the publishing of his book *Out of my Hat – The Magic of David Garrard*. Copies of his book will be available for sale, and you are guaranteed a signed copy if you attend the meeting! (PS – David’s columns in the LMC Bulletin were titled “Out of my Hat”).

Mark your calendar for May 22nd, the annual “Magic & the Wonder” show, with headliner (and club member) Mac King. See Pete or Patrick Miller if you would like to perform in the lobby before the show – here is your chance to be involved, and meet one of the most successful Las Vegas entertainers to ever grace a stage!

Jim

Check out the LMC website for informative links to performers and lecturers.

## From the Editor:

What a great start to the year! I am so excited to see our club growing--it takes me back to the early days when I joined the LMC! That was way back in 1982 and many of our “new” members weren’t even born then. (wow!) But, what I remember was a thriving club where every meeting was standing room only!!

Some of the old members I can remember include Earl Bullard, (former secretary and bulletin editor) Don Clark (a Hypnotist), Harry Collins, Jim Davis, Tom Hamilton, Larry Hibbs, Don McGill, Charles McGill (Charlie went by the name Sarito and was a deaf magician) Bob Escher, and current members such as Ray Tillman, Sherrell Nunnelley, Mac King and Lance Burton.

Back then I really didn’t know that I would be joining such a great organization but it has certainly turned out to be one of the best things I could have done. We are more than just a club; we are a group of friends and an extended family.

I’m really excited to see David Garrard lecture, because as a young magician, David, Sherrell and Bob were the ones who really took me under their wings and taught me a lot of about performing. I enjoyed going to see David bring Santa to the mall when he did his Christmas shows at Oxmoor and I try to catch his shows at the KY State Fair. He is a very busy performer but always makes time for the LMC. I’m certainly looking forward to reading his book, because just being around David you learn so much about magic.

See you at the meeting,

Michael
