The Dan Fleshman Lecture

Dan Fleshman has been practicing magic for over forty years and professionally for twenty five of those years. Dan will be starting his eighth year this summer with the Chop House Restaurants in Beaver Creek and Vail, Colorado performing six nights a week. Dan has performed in hundreds of restaurants, hotels and nightclubs with great success!

Dan has lectured in every state except Maine and Alaska. He has lectured and performed in Europe, Japan and Canada. Dan has also performed numerous times at the world famous Magic Castle and has been featured on the cover of Genii Magazine.

Dan has lecture notes, DVD's and many effects showcasing his magic. He has been featured on DVD's produced by L&L including many of the World's Greatest Magic series. Dan also stars in the Live at The Jail House DVD's with six other working pros.

Come join Dan and see why he is one of the most sought after close-up magicians. Gear up for a great night of magic and fellowship with some of your friends and enjoy an **Evening of Magic with Dan Fleshman!**

What Are People Saying About Dan Fleshman?

If you want a lecture packed with practical advice, superb techniques and great commercial tricks, you could do no better than seeing Dan Fleshman. I have seen him lecture many times over the last 35 years and I always learn something new and exciting that I can add to my arsenal. His newest lecture may actually be his best, adding that much more intensive, real world performing experience and the material he teaches is based on all of that. Don't miss Dan Fleshman when he comes to your area. – Marc DeSouza

Of all of the lectures we have had at our shop yours was by far the best! – Denny Haney

OUT OF MY HAT

Michael Raymer
President

We had a smaller crowd at our Adrian Vega lecture and if you weren't there, you missed a great one! I had the opportunity to have dinner with Adrian and his lovely wife the following night after they had spent a day sightseeing in Louisville. They were such a nice couple and I feel fortunate to have had the opportunity to spend the extra time with them.

I enjoyed meeting people in the lobby at The Magic and the Wonder Show and performing close-up magic for them. We had several LMC members performing; Terry Kelley, Matt McKiernan, Pete Miller, Ken Abbott and Dave Cotrell. Everyone really enjoys the pre-show entertainment and I believe more people come earlier every year just to see the lobby performers.

Please make a note that Dan's lecture will be at the Sheraton Four Points on Crittenden Drive. Several members and officers meet prior to the lecture at Cracker Barrel which is across the street and down towards the expressway from the hotel.

I want to welcome our NEW Bulletin Editor/Designer, Matt Sohl. Matt has volunteered to take over the reigns as Bulletin Editor, a job I have had since taking over from Earl Bullard in 2004! Matt is also going to work with us on marketing our It's Magic! show. I think Matt will be a great addition to our leadership team and I look forward to working with him and passing on my experience as Bulletin Editor.

Make plans to attend our first of two family events with our family picnic coming up in August. It's a fun-filled day of buying and selling magic at our swap meet, close-up performances throughout the day, a cook-out and a show to wrap up the evening. Details will be coming soon.

Start telling your friends and family about our It's Magic! show in September -- it's the best, low-cost family outing you can go to and it's LIVE magic! So much cheaper than taking a family out to the movies.

I was sad to hear of the passing of Clarence Miller from Irvine, Kentucky. Mr. Miller made some wonderful wooden magic props; I have a few of his creations.

See you on June 5th for Dan Fleshman!

Michael

EDITORIAL NOTE:

Please have all articles for inclusion in the next bulletin issue to us by the 20th of the Month.

From the Editor,

Well, it's been an honor serving as your bulletin editor, but 14 years is a long time and now it's time for me to pass the pen to Matt Sohl. When I first started working with the long-time secretary and bulletin editor Earl Bullard, I used to print the monthly bulletin at my printing company. When it was time for Earl to retire from the position he asked me to take over. I learned a lot from Earl and over the years updated the design a couple times and we moved it from mail to digital.

I've worked with and met a lot of exceptional magicians and had some great opportunities. I had the opportunity to be the editor of *The Magic SYMBOL*, a magazine for the youth of the S.A.M., a position I took over from Bruce Kalver when he became President of the Society of American Magicians. I was interviewed last year to be the next editor of M.U.M. Magazine and was one of the top two candidates.

I am excited to be working with our new editor, Matt Sohl and passing on my experience and knowledge to him. I kidded with him when he volunteered and told him that the bulletin position is a life-long commitmenthmmmm....was I really kidding?

It will certainly be nice to only write one article each month which will allow me to spend even more time working hard as your president to continue this great legacy that we have with the Louisville Magic Club.

Maybe I will be able to finish the book I'm writing on the history of the Louisville Magic Club. So I'll be signing off as your editor and passing over the pen to Matt Sohl. Matt, we look forward to the great things you will do as part of the leadership team. Welcome aboard!
