HOLIDAY BANQUET!

IT'S MAGIC! | DENNIS ALM

As we move closer to the 33rd Annual “It’s Magic” show, I wanted to take a minute to reach out and allow everyone to help out with this year’s big show. We have an incredible lineup of LMC talent that will put on another fantastic show. We have included four first-timers on the big stage this year, and I can’t wait to see their acts!

The performers are busy working on new material and getting ready for rehearsal. The marketing team is talking to new and former sponsors to help finance the show. Please let me know if you know of a small business that might buy an ad in our show program.

Tickets are now on sale to the public, and if we could get all LMC members to invite just four guests to the show, we’ll be in great shape!

Please send your friends and special guests to the club’s website to purchase tickets (www.louisvillemagicclub.com). There’s a giant “ticket” button on the main page for them to click on and buy tickets.

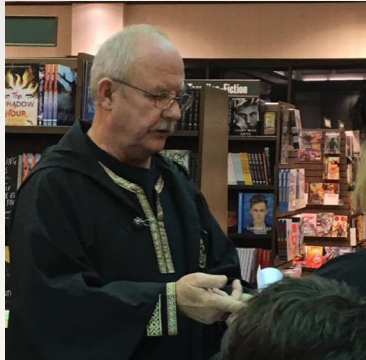

We can do special group discounts for 12 or more guests, plus I will always have some “hardship tickets” if you know of someone (or group) who would love to come but can’t afford it. Just message me privately, and I’ll get them sent out.

We still need 20-30 volunteers working the theater to help make sure all of our guests have a great experience. There’s a list of opportunities on the volunteer sheet. Remember, you get two free tickets to the show for volunteering. <https://forms.gle/TrTt8sg6Kk28upV1A>

We will have our first of 3 zoom calls on Monday, August 1st at 8:00 PM for everyone involved in the show. I’ll send the link out as we get closer.

CLUB PICNIC FOLLOW-UP | TOM CRECELIUS

The Louisville Magic club, IBM Ring 64 (Lance Burton Ring), and SAM Assembly 215 (Mac King Assembly) held their annual summer picnic on June 25th at the home of David and Stephanie Garrard.

The members gathered starting at 5PM and the meal was served at 6:30PM after prayer was offered by our host, David Garrard. Our meal was catered by Fire Fresh BBQ from Shelbyville, Ky. and was enjoyed by all. Pulled Pork and/or chicken, Potato Salad, Baked Beans, and Slaw. Sweet tea and Pink Lemonade, as well as water were our thirst quenchers. After the meal, which was enjoyed at the edge of the deep forest owned by the Garrard's, many made their way up the hill to the basement of these wonderful hosts for a little entertainment.

Lance Burton and Rocky (Lance's side kick) were in attendance and enjoyed the evening along with everyone else. Lance gave autographs and souvineer programs of his Las Vegas show to anyone in attendance.

Our entertainment included magic presentations by David Garrard, Ken Abbott, Magic Jo, and Tom Crecelius. David Garrard also gave advice to those that asked, and was most gracious in showing us his collection of magic items. Many thanks go to David and Stephanie Garrard for allowing us to invade their humble abode for a second year in a row, and to all that helped make this year's picnic a resounding success.

FROM THE EDITOR | MATT SOHL

JULY! We've officially entered the back half of the year. However, that doesn't mean we are slowing down. In fact, we've got a ton of things planned for the next few months. This month, we have our annual magic bag challenge. This is a fun meeting where we can all show off some of our creativity and perform some fun magic for the club!

Also, we've started promoting the It's Magic show! The show is in September, so that only leaves us three months! And speaking of shows, I hope you are considering competing in the annual close-up show in November. Now is the time to start figuring out your routine. Don't wait until the last minute.

That's about all I have this month. I hope to see you all at the Tuesday meeting on the 12th!

MEMBER HIGHLIGHTS

Steve Haffner Speaks for “Psych Congress Elevate!”

Steve Haffner presented his keynote “From A-ha to TA-DA! - Unleash Your Magical Potential by Busting Through Your Hidden Self Deception” in Las Vegas. He uses magic to demonstrate how we have subconscious “illusions” that affect our decision making. Some effects he includes in the presentation are Professor’s Nightmare and Fiber Optics. He closes the presentation with a mentalism routine where an audience member’s personal 6 digit number is magically revealed by 6 other audience members.

It’s very cool to see what all our members are accomplishing everyday!
